What We Offer

Our range is designed to give children opportunities to learn, create, imagine and explore through hands-on play.

Educational & Learning

Educational toys, activity books and resources to make learning fun and interactive.

SEN & Sensory

Sensory balls, fidget toys, stretchy and tactile products, play dough and engaging sensory resources.

Arts & Crafts

Colouring books, pens, pencils, clay and craft materials for creative activity sessions.

Children's Books

Colouring, activity and children's books to encourage reading and independent play.

Toys & Pretend Play

Toys that encourage imagination, role play, problem-solving and social play.

Outdoor Play

Products that encourage movement, active play and exploration outdoors.

Why WebsOnlineStore?

- UK-based online children's store with a focus on play, creativity and learning.
- A broad mix of educational, creative, sensory, SEN and general children's products.
- Affordable choices for classroom activities, rewards, creative sessions and everyday play.
- Online ordering makes it simple to browse products from one place.
- New products and ideas are added regularly.

PLAY • CREATE • IMAGINE

SEN, Sensory & Creative Play

Children learn and explore in different ways. Our sensory and creative range provides engaging, hands-on experiences for fidgeting, tactile exploration, quiet play and creative activities.

PRODUCT AREA	ACTIVITY BENEFIT
Sensory Balls	Squeeze, roll and explore different textures, shapes and movement.
Fidget Toys	Small, hands-on toys that help keep busy fingers engaged.
Stretch & Squish	Stretchy tubes, putty, squishy toys and tactile characters.
Play Dough & Modelling	Hands-on activities that encourage shaping, making and imagination.
Colouring & Craft	Creative activities that encourage concentration and self-expression.

Creative Choice for Early Years

From colouring and drawing to modelling and sensory exploration, our products give children opportunities to create, experiment and enjoy screen-free play.

SCREEN-FREE

Encourage hands-on activity away from screens.

IMAGINATION

Open-ended play gives children room to make their own choices.

FINE MOTOR

Many activities involve shaping, drawing, colouring and manipulating.

ENGAGEMENT

Tactile and interactive products can make activity time inviting.

School, Nursery & Early Years Ordering

Browse our full range online and order the products that best suit your setting. We aim to make finding fun, practical and engaging children's products simple.
