About O.B Joel Creative Press

O.B Joel Creative Press is an independent publishing brand dedicated to producing high-quality educational and inspirational books for children and families.

Our catalogue includes early learning resources, activity books, storybooks, colouring books, literacy materials and faith-inspired titles that encourage learning in enjoyable and meaningful ways.

Every publication is created with a simple goal: **To inspire children to learn, imagine and grow.**

Our Mission:

To create engaging books that make learning enjoyable while encouraging creativity, confidence and lifelong curiosity.

Our Vision:

To become a trusted publisher of educational and children's books that enrich homes, classrooms and libraries around the world.

What Makes Us Special:

● Inspire Young Minds

We create books that encourage children to learn, imagine and grow through engaging educational resources, creative activities and inspiring stories.

● Purpose-Driven Publishing

Every title is thoughtfully designed to support families, educators and schools with high-quality books that promote literacy, creativity and confidence.

Why Parents Choose Us?

We are committed to publishing resources that are:

- ✓ Educational
- ✓ Creative
- ✓ Inclusive
- ✓ Family Friendly and Engaging
- ✓ Designed to encourage independent learning

Every title reflects our passion for creating meaningful books that children enjoy reading and parents feel confident recommending.

Early Learning Collection

Building confident learners from the very beginning

Our Early Learning Collection introduces young children to essential literacy and numeracy skills through colourful, engaging and age-appropriate activities. Designed to support preschool and Key Stage 1 learners, these books encourage confidence, independence and a love for learning.

Ideal For:

- Nurseries
- Reception Classes
- EYFS
- Homeschoolers
- Parents

Educational Activity Books

Learning made fun through interactive activities

Our educational workbooks combine learning with creativity, helping children practise key skills through puzzles, tracing, writing, maths and engaging activities that reinforce classroom learning.

Supports:

- Literacy
- Numeracy
- Creative Numbers
- Problem Solving
- Independent Learning

Children's Story Collection

Stories that inspire positive values and imagination

Our storybooks encourage children to develop empathy, confidence, resilience and kindness through relatable characters and engaging adventures. Each story promotes meaningful conversations between children, parents and educators

Ideal For:

- Classroom Reading
- Emotional Intelligence
- Imagination
- Vocabulary
- Character Development

Colouring & Creative Collection

Encouraging creativity one page at a time

Designed to inspire imagination while developing fine motor skills, our colouring books provide relaxing, screen-free creative activities that children enjoy independently or with family.

Benefits:

- Creativity
- Focus
- Hand-Eye Coordination
- Relaxation
- Fine motor development

Faith & Values Collection

Helping children grow in faith and character

Our faith-inspired titles introduce biblical stories, values and positive life lessons in an engaging, child-friendly format that supports faith-based learning at home, in schools and within church communities.

Suitable for:

- Churches
- Christian Schools
- Sunday Schools
- Families

Creative Writing & Literacy Collection

Helping children become confident readers and writers

Our literacy resources encourage children to develop writing skills, expand vocabulary and express their ideas through structured activities that make learning enjoyable.

Supports:

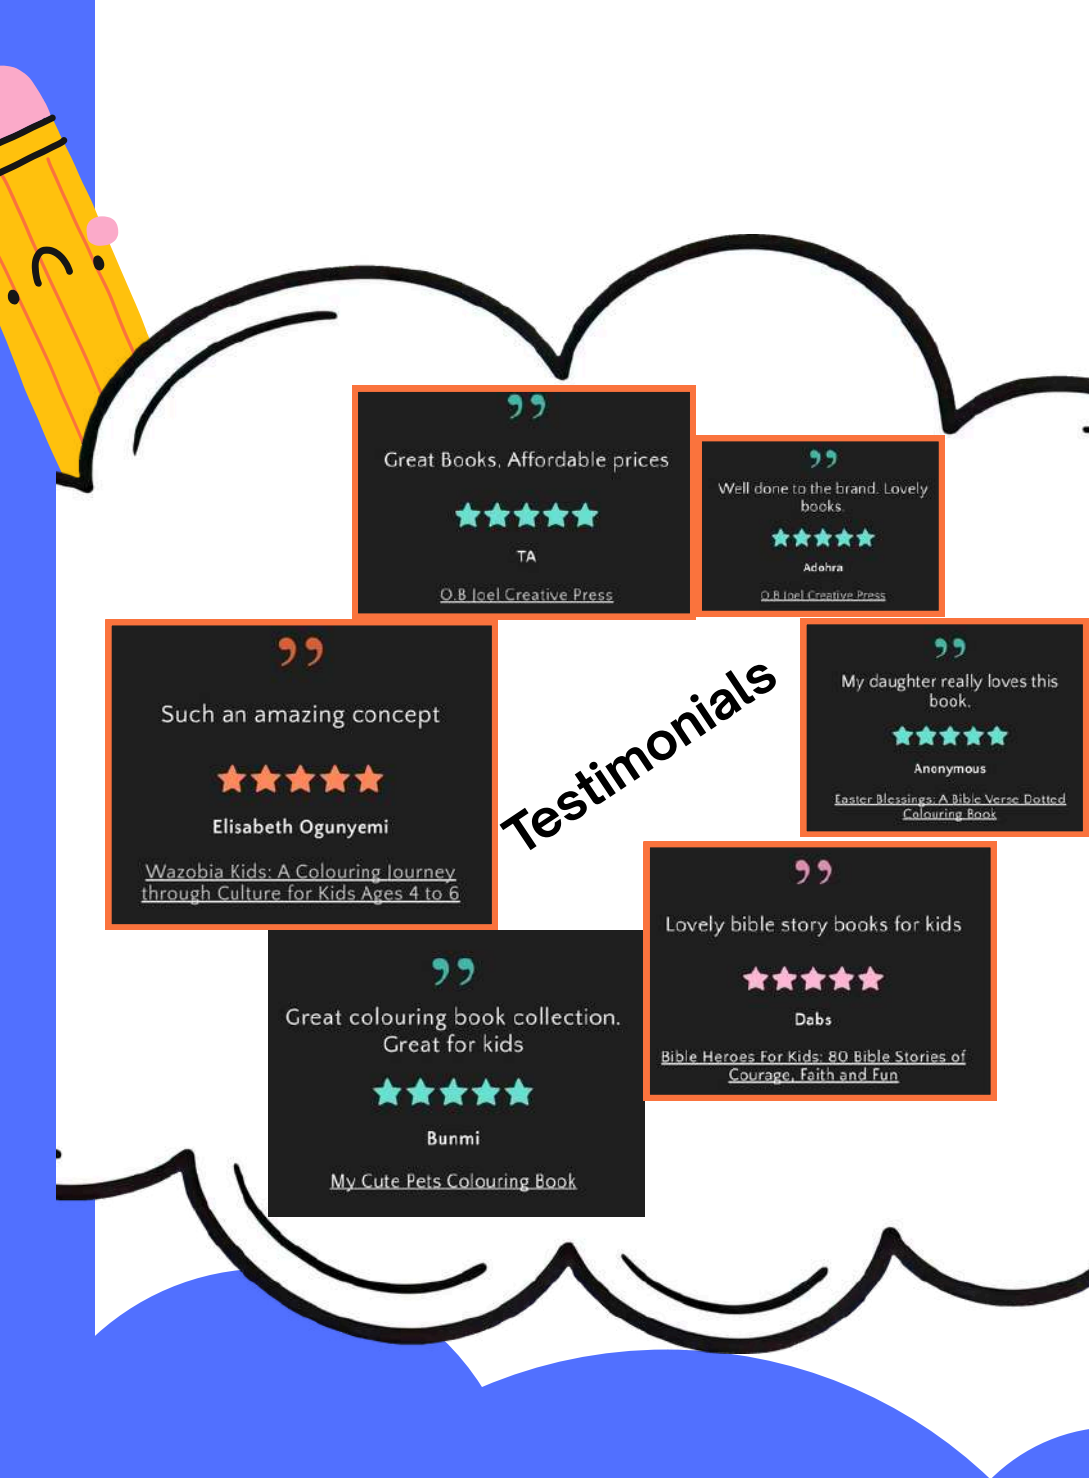

- Writing
- Reading
- Vocabulary
- Communication
- Creative Expression

Featured Collection of Books

Helping young readers discover the joy of learning through engaging books that inspire curiosity, creativity and confidence
