

OllieDX

for Nurseries & Early Years

Every Child. Identified. Supported.

*From first concern
to EHCP — all in one place.*

OllieDX gives nursery SENCOs the tools to spot,
document and act on SEND needs from day one.

THE CHALLENGE

1 in 5

children have SEND needs

46%

EHCPs issued past 20-wk
limit

2+ yrs

average wait for diagnosis

Nov '25

New Ofsted Inclusion
grade

WHAT NURSERIES FACE

Paperwork overload — observations, logs, forms all
manual

Referring to the LA — knowing when and what evidence
to send

Late identification — children reaching school with
unmet needs

Ofsted now formally grades your SEND identification
process

SENCO & EHCP Support Built In

From concern logged → evidence compiled → referral sent
→ EHCP tracked

HOW IT WORKS

01

Spot

EYFS checklist flags concern

02

Document

Evidence file built automatically

03

Talk

Guided parent conversation scripts

04

Refer

One-click LA referral pack

05

Track

Live EHCP timeline + alerts

Ofsted Inclusion grade ready · LA-connected · EYFS
