COMPLETE RADIO SOLUTIONS FOR SAFER, SMARTER SCHOOLS

At **CFone Communications** we supply high quality, easy-to-use two-way radio systems that keep your entire school connected. From Classroom to car parks, our solution helps you respond faster, work smarter and keep everyone safe.

OUR RADIO SOLUTIONS

PORTABLE TWO-WAY RADIO

Compact, rugged and reliable handheld radios designed for everyday school communication.

RADIO SIGNAL BOOSTERS

Ensure you have full signal reception throughout your school or college campuses.

MULTI-UNIT CHARGING STATION

Reliable long-range communication for larger school sites and multi-building campuses.

RADIO REPEATERS

Boost signal strength and improve communication across larger areas.

ACCESSORIES & COMPLETE KIT

Everything required for a complete professional communication solution.
