

FIND MORE FUNDING. FASTER.

One place for schools and MATs to find, understand
and manage grant opportunities.

WEEKLY UPDATED GRANT DATABASE

UK EDUCATION TRAINED GRANTBOT

Search. Shortlist. Track. Apply.

£495 per school, per year

LESS SEARCHING. MORE OPPORTUNITY.

Everything you need to make school grant funding more manageable.

01

UPDATED EVERY WEEK

A searchable grant database reviewed and updated weekly, helping schools focus on current opportunities.

02

SMART SEARCH

Filter opportunities, shortlist the right ones and build a funding pipeline around your priorities.

03

TRACK PROGRESS

Keep deadlines, applications and next steps organised clearly in one place.

04

TOOLS THAT SAVE TIME

Practical calculators, templates and resources designed to make grant activity more manageable.

Designed by an experienced School Business Professional

with 17 years in education.

MEET GRANTBOT

UK education trained AI

GrantBot helps busy school teams understand funding opportunities quickly, with clear summaries designed around UK education.

GROWING SCHOOL COMMUNITY

PRIMARY SCHOOLS AND MATS ONBOARD

Supporting a more structured and proactive approach to external funding.

Find relevant opportunities. Save time. Build your funding pipeline.

BUILT FOR SCHOOLS. READY FOR MATS.

Flexible access for individual schools and Multi Academy Trusts.

PRIMARY SCHOOLS ONBOARD

Finding and managing
external funding.

MATS ONBOARD

Supporting a Trust wide
approach to funding.
