# CFONE COMMUNICATIONS

## Who are we?

We're education telephony specialists with **over 50 years' experience** of improving communications. Our team are passionate about helping your staff do their jobs more effectively.

"School business managers are referred to us because they need someone they can trust to listen to their requirements and deliver a reliable phone solution."

**Mark Hodgkinson,**  
Operations Director  
CFone Communications

## Why we're the right partner

We'll listen to your requirements, assess your needs and use our experience to tailor the best solution for your school. Then we'll train your team and set everything up to ensure a smooth transition, in or out of term time.

## Who we help

"Exemplary customer service, friendly and no hard sales pitch. Mark and the team made us feel like we were their number one priority. I would enthusiastically recommend CFone."

**Tim Nash,**  
Facilities Manager  
Gerrards Cross C.E. School

"Safeguarding is our top priority, so I monitor important messages using call recording."

**Martin, Senior Leadership Team**

"I can better assess pupils' needs by including teachers and parents on one conference call."

**Fatima, SENCO Teacher**

"These long-range portable phones help me keep in contact, wherever I am on site."

**Luke, Premises Manager**
