

Ultra Ease Limited
Professional Cleaning Products

Cleaning products built for real-world use

Ultra Ease Limited is a UK-based cleaning products supplier providing practical, high-quality solutions for homes and businesses. Our range is designed around everyday cleaning demands: reliable performance, ease of use and excellent value.

For education settings, our products can support routine cleaning in classrooms, offices, staff rooms, kitchens and other washable hard-surface environments, subject to the product label and relevant surface-use instructions.

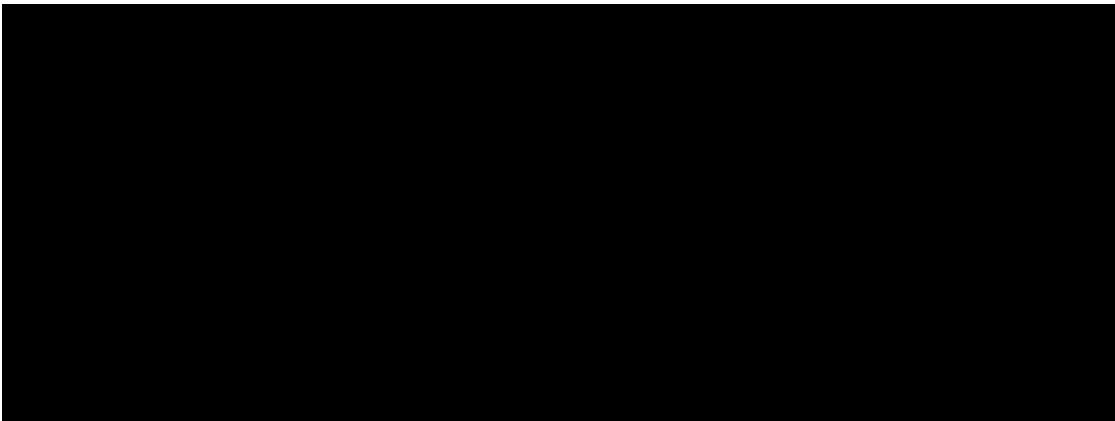

Our current range

Ultra Ease Citrus All Purpose Cleaner 750ml trigger spray	A versatile professional APC for everyday dirt, grease, grime and stains on a wide range of washable hard surfaces. Designed to deliver reliable, streak-free results with minimal effort.
Ultra Ease Professional Dish Wash Liquid Degreaser 500ml	A concentrated, grease-cutting washing-up liquid designed for dishes, glassware, cutlery, pots and pans. Produces a rich, long-lasting lather and is suited to busy kitchens and everyday use.

Pack options

- APC: 3-pack and 6-pack options for households, small businesses and higher-use environments.
- Dish Wash Liquid: 6-pack and 12-pack options for cafés, food outlets, pubs, bars, catering businesses and cleaning teams.
- Bulk supply options are available for customers who need larger quantities.

More products are planned as Ultra Ease continues to expand its range, including environmentally conscious cleaning solutions.

Why choose Ultra Ease for your setting?

We understand that schools and other busy organisations need cleaning products that are straightforward to use, dependable and good value. Ultra Ease focuses on practical products that fit naturally into existing cleaning routines.

Reliable everyday performance

Products developed for common cleaning tasks, from everyday dirt and grime to grease and food residue.

Professional presentation

Clearly presented products designed for business and institutional environments as well as home use.

Flexible purchasing

Single-product packs and larger multi-pack options help customers match purchasing to their cleaning needs.
