

Safety First:

Safety is paramount in high-level cleaning and maintenance. CCWC Services adheres to strict safety standards and protocols to protect our team, clients, and the public during all phases of our projects.

Customised Strategies:

No two projects are the same. CCWC Services tailors our cleaning and maintenance strategies to meet the unique requirements of each building, considering factors such as height, design, and accessibility.

Efficiency and Cost-Effectiveness:

Our strategies are designed to maximise efficiency and minimise costs. We understand the importance of maintaining a budget while ensuring high-quality results.

Environmental Responsibility:

CCWC Services is committed to environmental

responsibility. We employ eco-friendly cleaning solutions and methods, contributing to a greener and more sustainable future.

Long-Term Partnerships:

Building lasting relationships with our clients is a priority. CCWC Services offers ongoing maintenance plans to keep high-rise buildings in top condition year after year, ensuring the longevity and performance of your investment. Quick Response: We understand the urgency of high-level cleaning and maintenance needs. CCWC Services offers quick response times to address issues promptly, reducing the risk of further damage.

Continuous Innovation:

We stay at the forefront of industry advancements. CCWC Services continually invests in research and development to incorporate the latest technologies and techniques into our services.

Accountability - Integrity - Reliability

Why CCWC Services is the Go-To Expert in High-Level Cleaning and Maintenance:

When it comes to high-level cleaning and maintenance, CCWC Services stands out as the go-to expert. Our proven expertise, industry partnerships, commitment to safety, and dedication to providing customized, cost-effective solutions make us the trusted choice for projects of all sizes and complexities. We ensure that your high-rise building remains not only clean and well-maintained but also safe and efficient for years to come.

Consultant to Industry Leaders:

Our expertise is trusted by industry giants such as ISG, Willmott Dixon, and SRM. We serve as consultants to these Principal Contractors, providing valuable insights and strategies for high-level cleaning and maintenance on their projects.

Architectural Collaboration:

Architects play a pivotal role in designing high-rise buildings with future cleaning and maintenance in mind. CCWC Services collaborates closely with architects during the planning stage, offering expert advice to ensure buildings are constructed with efficient access and maintenance strategies in place.

Comprehensive Solutions:

We offer a wide range of services, from window cleaning and façade maintenance to roof repairs and gutter clearing. Our comprehensive approach ensures that every aspect of high-level cleaning and maintenance is covered, eliminating the need for multiple service providers.

Specialised Knowledge:

High-level cleaning and maintenance require specialised knowledge and techniques. CCWC Services boasts a team of highly trained professionals who possess the expertise to work at heights safely and effectively, utilising the latest equipment and technologies.

Proven Track Record:

CCWC Services has a well-established reputation for excellence in high-level cleaning and maintenance. With over 30 years of experience in the industry, we have successfully completed numerous projects, demonstrating our expertise and reliability.

Lee Clark

(Founder & Company Director)

With over 35 years' experience, Lee is a highly skilled cleaning and maintenance professional who has worked with a number of high profile companies and organisations, delivering a wide range of soft services for buildings and locations across Wales and the West of England.

Lee has built CCWC from a small, one-man residential window cleaning operation to an established and respected company.

Dawn Clark

(Secretary & Finance Manager)

Dawn is the company secretary and finance manager. However, unlike most clerical managers, she has experience in all hands-on areas of the business too.

Dawn has nearly 20 years of experience working in the soft servicing industry, which includes handling and processing all financial tasks, along with fundamental cleaning duties that have previously included working at height, using many different kinds of cleaning equipment and supervising staff on site.

Scott Sebury

(Area Manager)

Scott Sebury is an experienced Area Manager and holds a CSCS card and IPAF licence, enabling him to work safely on various sites and operate powered access equipment.

Scott has a hands-on approach, being a skilled problem-solver who can identify and address issues on site, ensuring projects run smoothly and on schedule. He is also a qualified first aider, providing essential medical assistance if necessary. Overall, Scott Sebury is a reliable and competent professional committed to delivering high-quality services to his clients.

James Shaw

(Northern Area Manager)

With over 25 years of experience in maintenance as a multi-trade contractor, James is a skilled professional. He holds a CSCS card and IPAF licence, enabling him to work safely on construction sites and operate powered access equipment.

James has a keen eye for detail, ensuring that all work is completed to a high standard. As Northern Area Manager, he oversees projects and ensures they are completed to schedule and to the client's satisfaction. Overall, James is a valuable asset who is, committed to delivering high-quality services with his extensive experience and hands-on approach.
